

TechTop 2025 Zero2Entrepreneurship Boot Camp

Participants Selection

Camp dates: November 28 to December 4, 2025 @ Maker Village, Kochi, Ernakulam District, Kerala

Please note: Thank you all participants of the TechTop Innovation Challenge Idea submission 2025. **Jury of the Innovation Challenge is in a unanimous decision that, this year's entries for the challenges are not up to the mark with original ideas and most of the ideas submitted are already in place as a product or service.** The jury recommend to select the best of the ideas from the group to provide entry to the TechTop 2025 Weeklong Bootcamp, and cancel this years Innovation challenge. Thus, there will not be any Innovation Challenge and only 2025 Bootcamp will be hosted.

Selection to the bootcamp is strictly based on ideas and Management Committees preview on the ideas. All the participants of the bootcamp have to meet their travel expenses, but, the organizing committee will provide shared accommodation, food and the weeklong Bootcamp complementarily.

Selected Schools. To know the admitted students' details, please whatsapp your school details to Mr. Tharun +91 831 764 1284
